## May Event Wrap Up

### Spring Classic Horse Show – May 8<sup>th</sup>

Huge thank you to everyone that came out to support our **37<sup>th</sup> Annual Spring Classic Horse Show**. Over 50 horses and riders came out on a cool, but sunny day, to take part in this very special show for all levels of riders – from our littlest lead liners to our experienced show competitors! Special thank you to our amazing judge Tara Gamble, our Announcer extraordinaire Kathy Ingram and all our volunteers and sponsors that helped kick off our show year! Looking forward to our next show – our **Youth Only Show on August 28<sup>th</sup>!!**

### Birding on Horseback Trail Ride – May 14<sup>th</sup>

The **first Club Trail Ride** of the year was a success with 7 riders and their trusty horses heading out for a great ride at the Blackfoot! The group rode from the Waskehegan Staging Area to Baker Springs and back including riding along the newly reopened Blackfoot Trail which borders Elk Island National Park. Along the way the group spotted a number of birds including 2 swans, lots of Canada Geese and water birds, and of course Robins!

If you would like to head out on the Trails, but aren't quite sure if you and your horse are ready, be sure to sign up for our **Trail Riding 101 clinic on July 23<sup>th</sup>**. Space is limited so register soon!
